### Building Stronger Corangamite Communities

The Corangamite Shire has partnered with the Department of Planning and  
Community Development in a four-year project to support communities to plan  
and implement improvements to their towns. The project provides access to  
funding and support to enable each of the Shire's 12 towns to prepare a Town  
Plan to protect those assets most valued by local communities and to make  
changes and improvements to secure their future prosperity.
